

Signup Process for New User

1. Open any browser and type <https://applydlnew.dotm.gov.np> and press Enter.
2. Enter your mobile number and the captcha, then click the Next button.
3. An SMS containing MPIN will be sent to the entered mobile number. Enter your MPIN and click Next. You may click "Forgot MPIN" to resend the MPIN to the entered mobile number. Note: The same MPIN is used to login multiple times.
4. After successful sign-up, select your status option carefully: (a) No, I don't have Nepalese Driving Licence, (b) Yes, I have Nepalese Driving Licence, or (c) No, I don't have Nepalese Driving Licence, but given Biometric/Exam in office.
5. If you chose option 1 (new applicant): Select your country as per your citizenship card or passport.
6. Fill up your personal details. Some details are filled automatically based on the mobile number. If the mobile number is registered in another person's name, you can change the auto-filled entries. Be careful — details must match the information from MOHA (Ministry of Home Affairs). Click Next after entering all required details.
7. Your name and gender will be filled automatically based on citizenship number. Fill in remaining applicant details including blood group, profession, education, training institute, guardian/witness information, permanent address, and current address.
8. Upload the front and back side of your citizenship certificate. Image file must be less than 1MB in size. CIMS details from MOHA will be displayed — verify these match your citizenship.
9. After filling all necessary details, click Next. You will be redirected to the applicant portal to review all entered details. If all details are correct, tick the declaration box and click Next. If not, click Back and correct your details.
10. A warning message will pop up stating that details cannot be modified after clicking OK. Check your details carefully before proceeding.
11. You will be redirected to the dashboard with three options: (i) Apply for new License, (ii) Your details, (iii) Logout.
